Forming a team is as easy as counting to five, below are the steps:

- 2.Decide what your team name will be
- 3.Team captain registers and creates team password at** <https://solerssports.raceentry.com/race-reviews/stride-for-sight-5k>
- 4.Team captain shares team password with all family members
- 5.Each family member registers under the team name, using the team password by March 22nd.** (online registration will close 2-3 days before race day)

We hope to see you at the park!
