A PARTNERSHIP WITH LIONS SIGHT RESEARCH FOUNDATION + SAN ANTONIO EYE BANK

Dear Family, Friends and Colleagues,

This year, I'm going to do somethings to give back and pay tribute to those in our community who have been touched by cornea donation and transplantation, as well as vision impairments. I'll will be walking in the 2017 Stride for Sight 5K Run/Walk.

The run/walk is hosted by Lions Sight Research Foundation and the San Antonio Eye Bank. The event is being hosted to educate and inspire the community about the Gift of Sight and healthy vision. Ten million school children in America have vision conditions that can impact learning. Early and regular vision screenings can be essential to diagnosis and treat vision issues. Moreover, thousands of people each year lose their sight due to disease, infection and injury. Sight in many cases, can be restored by receiving a cornea transplant.

I need your help! In order to qualify as a team, I need to have at least 5 team members. I am asking you to join my team today. The cost is only \$10! To register as a team member, please visit: <https://www.raceentry.com/race-reviews/stride-for-sight-5k> , select my team name: [insert team name] and team password: [insert team password].

If you are unable to join my team, I ask that you consider making a donation to my team. You can make a donation online at: [insert crowdise team or individual fundraising page link]. Any and all donations will be warmly appreciated.

I hope you'll help me and I thank you in advance for your time and generosity!

Take care,
[Insert your full name]

Reminder - If you are a transplant recipient or donor family member, make sure include your testimony in the email and on your fundraising page. Your friends, family and colleagues may pass this email onto others in hopes that they will donate to you. Moreover, your testimony may inspire someone hearing of donation for the first time to register as a donor.
